

## Bristol PLUS Award Endorsing Employers

“We are pleased to continue our ongoing support for the Bristol PLUS Award. The students awarded stand out, both when we meet and see the award on an application. It illustrates their continued commitment to enhancing employability skills for their future, which is a vital quality for candidates to have.” **Enterprise Rent-A-Car, Car rental business**

“The Bristol PLUS Award gives us the opportunity to spend some quality time and engage with students in many different ways and help them to develop as well- rounded individuals in preparation for the competitive job market. We have been involved before and think this a great initiative. It enables us to tap into some fantastic talent and work closely with some brilliant students!” **FDM, IT Professional Services**

“Competition within the Legal sector continues to grow but taking the time to complete the Bristol PLUS Award will really help to make you stand out from the crowd. The University of Law is one of the UK's longest-established specialist providers of legal education, with a rich heritage and reputation for innovation. At The University of Law we pride ourselves on the level of student support we offer and thanks to our scholarships, Employability Service and Pro Bono programmes, we can help talented, standout students from all backgrounds to succeed.” **The University of Law, Education**

**BAE SYSTEMS**

“Our vision is to be the premier international defence, aerospace and security company in the world. One of the ways to achieve this vision is to ensure we employ the most talented and determined graduates.” **BAE Systems, Engineering & Technology**

“We are looking for excellent graduates to embark on a challenging and rewarding journey with Teach First where they can make a real difference to the daily lives of children across the UK. We know that Bristol PLUS Award students are of the highest calibre and have the skills and drive that it takes to achieve on our programme.” **Teach First, Education**

**TeachFirst**

“This is a great opportunity to partner with the University of Bristol and promote British Red Cross opportunities to a wide range of students.” **British Red Cross, Charity, Office in Bristol**

“The experience that the PLUS Award gives to these high achieving students significantly sets them apart at interview. The Bristol PLUS Award has given us as an organisation the opportunity to collaborate with bright and motivated students from a diverse range of disciplines. It is exciting and inspiring to see the exceptional work being undertaken by the participating students.”

**Valtech, Software development, Office in Bristol**

“With the digital landscape set to become an even bigger part of Britain’s economy over the next few years, technology organisations such as BJSS have a role to play in ensuring that as many young people as possible are equipped to pursue careers in this space. Initiatives like the Bristol PLUS Awards support this by creating valuable skills and experience. We’re thrilled to be part of it.”

**BJSS, IT and Business Consultancy, Office in Bristol**

“The Bristol PLUS Award is a fantastic opportunity for students to acquire the experience and knowledge employers are looking for in their candidates. It also gives their CV a competitive edge by demonstrating their willingness and desire to succeed. ICAEW supports the Bristol PLUS Award because we feel it instils our values of insight, initiative and integrity to the students who participate.” **ICAEW, Accountancy professional body**

“The Bristol PLUS Award allows student to gain an array of skills that really stand out to employers. We think these are vital as they can be translated and applied to create leaders for social change with Unlocked.” **Unlocked, Charity**

“Completing the Bristol PLUS Award demonstrates students are proactive and driven, skills we value at TLT. It's a great way for students to stand out and the skills developed can give graduates a real advantage in a competitive jobs market, where academic achievement is often not enough of a differentiator.” **TLT, Law firm, Office in Bristol**

“Here at [www.gradsouthwest.com](http://www.gradsouthwest.com) we know that many Bristol graduates #loveBristol and want to remain in south west England. Our employers are actively looking for great graduates who want to remain here. The Bristol PLUS Award demonstrates your commitment to your personal and career development – a quality many of our employers look for as you build your career with them.” **Gradsouthwest, the South West Graduate Job Board**

“We want students to discover their powerful minds, to find out how they can make unique contributions and create change in the world with their careers. The PLUS Award provides a platform for students to discover what's outside of university, enabling them to be as equipped and informed as possible during their transition from university to employment.” **Accenture, Technology consultancy**

“At Nine Feet Tall we're always on the lookout for bright, passionate individuals, willing to go the extra mile, to join our team! The Bristol PLUS Award is a great opportunity for students to set themselves apart from the crowd and showcase their skills and potential. We look forward to engaging further with this inspiring group!” **Nine Feet Tall, Business Management Consultants**

“Enhancing and developing personal skills is a fantastic way of standing out from the crowd. We receive countless applications for most of our Graduate programmes and it's those that have developed their soft skills that are the ones we look to bring in to our business.”

**RSM, Audit, Tax and Consulting services, Office in Bristol**

“HMRC collects the taxes that pay for the UK's public services and are one of the country's largest employers, with around 60,000 people working across the UK. We are looking for people with all kinds of skills, experience and ambitions to join us. We recruit on merit after fair and open selection, and we welcome applications from a diverse range of candidates. Our strength as an organisation is in our diverse people, ideas and backgrounds, and the inclusive working culture that brings us together. HMRC is proud to support the Bristol PLUS award as it will help applicants demonstrate many of the skills and core values that HMRC looks for and help with graduates' general employability skills, which will support them in whatever career path they choose.” **HM Revenue and Customs**

“CIL values proactive, forward-thinking and innovative people. Bristol PLUS award students epitomise these characteristics and we are therefore more than willing to engage with participants and help progress their careers.”

**CIL Management Consultants**

“We want to help students gain the additional skills necessary to secure their preferred job after leaving university.” **BDO LLP, Accountancy**
